President/CEO
Veterans Services of America, Inc.
2225 NW 67th Drive

Dear Mr. Margolis:

This is a letter to provide support to Veterans Services of America, Inc. Your proposed transitional housing program for homeless veterans would benefit the many homeless veterans in South Florida. The Health Care for Homeless Veteran (HCHV) program would support your facility by providing supportive services such as medical and psychiatric care to the participating veterans.

The HCHV program and the West Palm Beach VA Medical Center are dedicated to improve the lives of our homeless veterans. The Grant and Per Diem program has proven to be essential to the success of these homeless veterans reintegrating back into society.

We look forward to establishing a working relationship with Veterans Services of America, Inc. If you need any additional information please feel free to contact, Sherilda Lyons, Grant and Per Diem Liaison at 561-723-6882.

Respectfully,
